

Chapter Summary Study Method

Today's Date: _____

Book of the Bible: _____ Chapter: _____

What is Chapter Summary Method:

This method involves reading a chapter, identifying key events, characters, themes, and lessons, then writing a brief summary in your own words. This simple approach helps break down Scripture for clearer understanding and personal application.

How to use this Worksheet

Identify key elements—events, characters, themes and lessons. Summarize the chapter in 3-5 sentences, write a short title that reflects the main points. Review-compare translations and review commentaries and adjust if needed. Reflect and write out how this applies personally to your life.

Step 1:

Main Events

Main Characters

Themes

Lessons
